# CONTROLS

Each Renson® system can be controlled with specific controls. This enables the user to operate every device optimally and, if possible, also receives the necessary feedback.

XVK3 switch

Control	66014049

3-position switch with rotary switch
Built-in switch
Cover plate type NIKO 'Intense', colour 'Sterling'
Connection cable: min. 4×0.8 mm^2 / max. 4×1.5 mm^2
Compatible with Cbase® / Xtravent® EcoModus Compact / Healthbox® 3.0

XVK4 switch

Control	66016446

4-position switch with push button
Built-in switch
NIKO with claw mount
Cover plate type NIKO 'Intense', colour 'Sterling'
Connection cable: min. $10 \times 0,34$ mm^2 / max. $10 \times 0,8$ mm^2
Compatible with Healthbox® II / Healthbox® II Compact / Healthbox® II SmartZone / Healthconnector

TouchDisplay with CO_2 sensor

TouchDisplay HB with CO_2 sensor	66031830
TouchDisplay Cube® with CO_2 sensor	66032202

TouchDisplay with integrated CO_2 sensor
Wireless communication
Cover plate not included
230V

Sensorless TouchDisplay

Sensorless TouchDisplay HB	66031828
Sensorless TouchDisplay Cube®	66032203
TouchDisplay Endura®	76050322

Sensorless TouchDisplay
Wireless communication
Cover plate not included
230V

Timer control

Timer	66031807

Control with adjustable time
Interval wireless
Compatible with Healthbox® II / Healthbox® II Compact / Healthbox® SmartZone / Cube®
Cover plate white
230V

SENSORS

Some ventilation systems can optionally be equipped with additional sensors. As a result, the air quality or residents' presence is measured locally in order to adjust ventilation air flow accordingly.

Master air quality sensor

Master air quality sensor	**76050330**
TouchDisplay with integrated CO_2 sensor	
RS232 connection (not connected to Endura® Delta)	
Compatible with Endura® Delta	
Cover plate not included	

Slave air quality sensor

Slave air quality sensor	**76050331**
TouchDisplay with integrated CO_2 sensor	
Wireless communication	
230V	
Compatible with Endura® Delta	
Cover plate not included	

Motion sensor

XVKS motion sensor	**66031720**
1 x XVKS motion sensor white	
Compatible with Cube®	
Cover plate not included
